

Rockwell on the River is located on the scenic North Branch of the Chicago River. Formerly a manufacturing complex, this unique building features a dramatic venue with over 16,000 square feet of the main event space with an additional 3,000 square feet of river deck and staging areas. The architectural details from top to bottom include high lofted double bow truss ceilings, skylights, exposed brick and timber construction. On the bottom, are Black Locust end-grain woodcuts installed to give a seamless view to the riverfront.

The amenities at Rockwell on the River include a 1,300 square foot catering kitchen, distinctive bars, tables and chairs, artfully designed restrooms, a convenient loading dock, and many details making the space exceptional. And the Rockwell series of buildings feature a Distillery, Brewery, Roastery, and a Marina - all connected by Italian cobblestones designed and individually installed to mimic the movement of the Chicago River!

Either by land or sea, getting to Rockwell on the River is easy. Off the Kennedy expressway at the Kimball or California exits, or come by boat (35 minutes from downtown). Ideal for social, corporate, or not-for-profit events, Rockwell on the River will delight and surprise audiences the moment they arrive on site. This exceptional venue will make your event a very unique experience!
